Hi Tod-

Per our conversation, here are a few materials on the 404(g) rulemaking. While we'll be looking for input from you (or other OGC attorneys) on the tribal component, I'm attaching the analytic blueprint to show the other big issues that the rulemaking will cover (in addition to a number of technical updates). Also attached is a draft outline of some of the tribal issues.

Thanks, and we'll be in touch soon!

Ruth
